

Junior Sales Representative International (m/f/d)

For the area Sales and Key-Account-Management at our location in Singen we are looking for you as **Junior Sales Representative International (m/f/d)** at the earliest possible date.

What you can expect

- Communication with distributors and customers
- Support of existing distributors in close cooperation as key account manager
- Establishing new distributors and supporting them
- Sales planning for your area
- Close cooperation with internal interfaces worldwide (e.g. Supply Chain, Finance, Sales Support)
- Technical and user training for distributors, also on site
- Planning and organization of exhibitions, trade shows and workshops as well as participation in these events

What you bring

- At least 2-3 years of experience in sales of medical products and Key-Account-Management (knowledge in dentistry and/or laser technology is an advantage)
- Fluent English (German language knowledge is an advantage)
- Structured work efficiency, planning approach as well as comprehensive proactive, solution-oriented thinking and acting
- Motivation, initiative and willingness to travel (class B driver's license)
- Team player with intercultural competence
- Flexibility
